

Aga Khan Health Service, Tanzania - Testimonial
Extract from the recommendation letter

Nu-Tarna's outstanding teamwork spirit played a pivotal role in achieving the remarkable milestone of securing level 5 SafeCare Certification for Mwanza Hospital and Aga Khan Polyclinics, Tabata, Masaki, Kibaha, Bunda, Tandika, Town and Iringa.

One of the most commendable facets of Nu-Tarna's approach was the notable enhancement of staff capacity. Empowered staff with invaluable skills and nurtured a culture of continuous improvement within the organization.

Observing Nu-Tarna's approach to healthcare quality improvement reveals a commitment to data-driven decision-making and evidence-based practices.
